Brokerage and Wealth Management

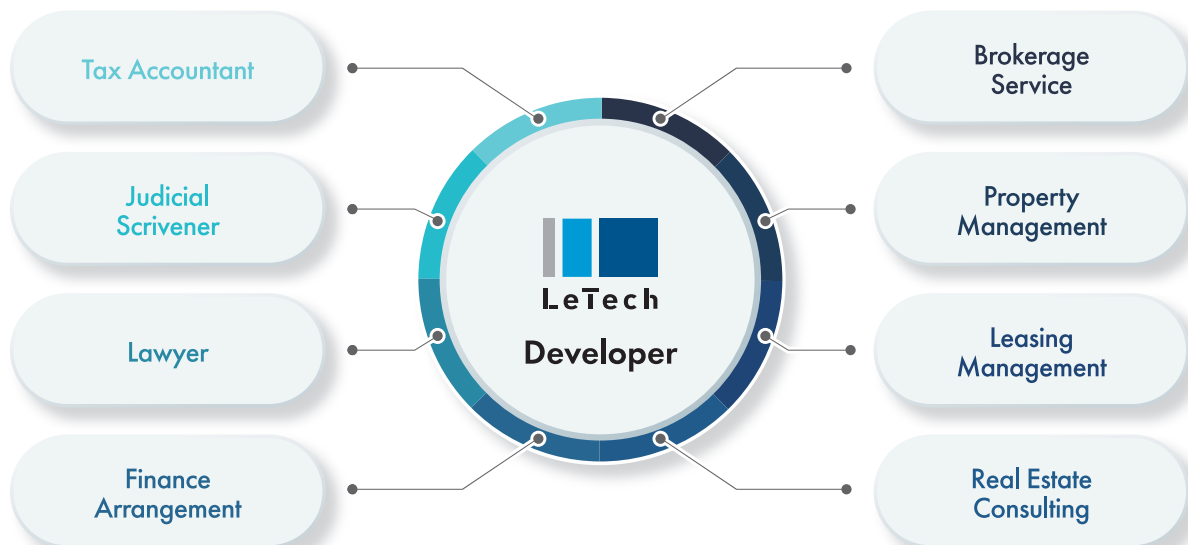

We provide a full range of real estate brokerage services to our clients with various backgrounds. Along with our own networks deeply rooted in Osaka and Tokyo market, we also bring a variety of property information to overseas investors in order to make their investment feasible and effective. By utilizing our knowledge, long-term experience, and our unique network in Osaka and Tokyo, our team is committed to serve our clients with respect and integrity as your best real estate partner in Japan.

Purchase and Sales

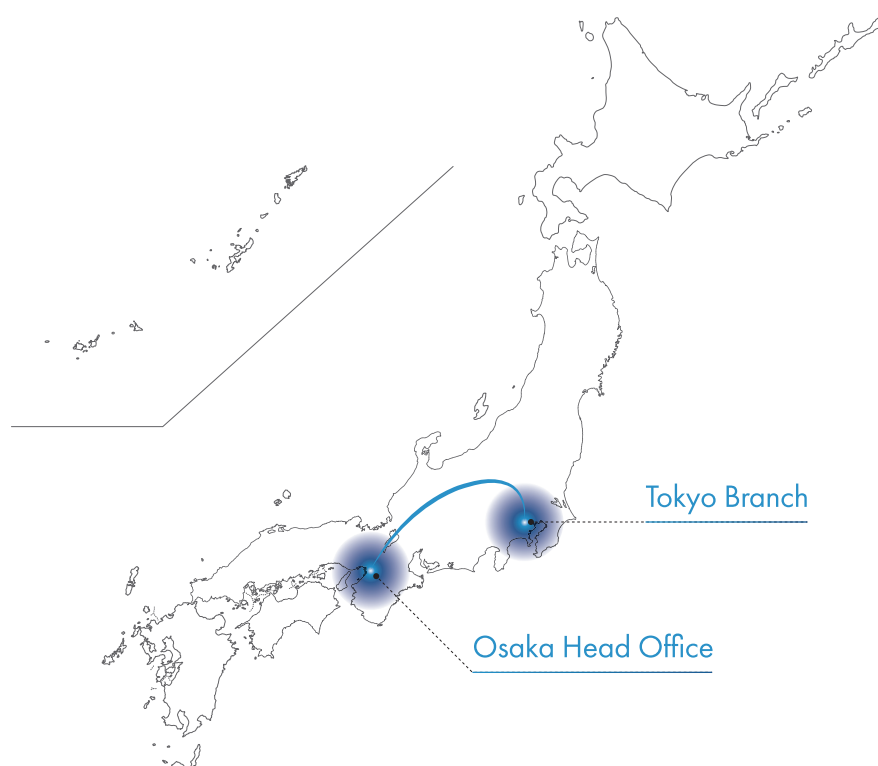

Business Partner & Our Service

About LeTech

Our company was established in 2000 and originally started our business in Osaka from real estate consulting with the philosophy of Inspire the "Intelligence", Suggest the "Solution". In 2012, we opened our Tokyo branch to expand our development business in Tokyo. And in 2018, with the support of everyone, we were listed on the Mothers market of the Tokyo Stock Exchange. After the 20th anniversary on February 1, 2021, we have decided to change the company name from "Legal Corporation" to "LeTech Corporation". The new company name comes with our strong-will which consists of our historical value in the time of Legal corporation and our future vision. Under the new company name, we have been operating real estate development business, brokerage business and property management business mainly in Osaka and Tokyo as a comprehensive real estate developer.
